AUCTION IDEA LIST

The **Hammers & Hardhats Bash** will take place on Thursday, October 22, and the silent and live auctions are integral components of the event. If you would like to donate items to support our auction but can't think of anything, please see the "Idea List" below to help you generate some ideas. Any service or product could make a great auction item, and if you're a business, you can be sure that future customers will be in our audience!

If you have any questions about an item you'd like to donate, please contact Kasie at 319.337.8949 or by email at resource.ivhfh@gmail.com. Once you've firmed down your idea, please fill out the Auction Donor Form and mail or fax it to IVVHFH. Pledge forms are due by May 1, 2009 and all donated items should be turned in to IVVHFH by October 1, 2009.
